

The Beaver Memorial Day Parade and Ceremony
Monday, May 27th 2019, starting at 10:30 a.m.

The following written material may be used for public announcements on your social media.

Each year the Beaver Area Heritage Foundation sponsors the colorful Beaver Memorial Day Parade. All military personnel, whether retired or active service, are invited to march or ride, joining with the Beaver Area Senior High School JROTC, Marching Band and many other local organizations. A special Memorial Ceremony in the Beaver Cemetery immediately follows. The Program features an invited speaker, the BAHS Concert Choir, recitation of the Gettysburg Address by the Senior Class President and a military salute. A new addition this year is a restored Revolutionary War - era cannon which will be fired as part of the military salute. A complimentary luncheon is provided by the Fort McIntosh Foundation, College Avenue, for all military personnel and their families.
