Description of signage/wording:

_____

_____

Bulletin Board (ex.A-Frame, Message Board, Sandwich Board, Display Board, etc.)

Borough Ordinances §27-16021H.(6)(c) & §27-1602H.(7)(c) - in the RC-1 & RC-2 Districts ONLY

Only one bulletin board per storefront is permitted. Bulletin boards cannot be illuminated. The surface area of a bulletin board cannot be more than six square feet per sign face with changeable letters a maximum of eight inches in height. Bulletin boards cannot obstruct ordinary pedestrian traffic. Bulletin boards may only be displayed while the associated business is open. There is no limit as to permitted days of display. A permit is required for all bulletin boards.

The above information is true and correct and I herby agree that all applicable provisions of the borough codes will be complied with, as well as the requirements from the municipal water & sewage authority and the PA Dept. of Labor & Industry, whether specified or not.
