“Promoting the benefits of our Community Forest”

Celebrate Arbor Day - Plant a Tree!

Order a discounted tree through the Beaver Borough Shade Tree Commission’s Community Tree Planting program and have it delivered directly to your door!

- Every spring, the Beaver Borough Shade Tree Commission orders trees at wholesale and offers Beaver residents the opportunity to buy trees at a discounted price. Not only will residents receive the Borough’s discount, but the trees will be delivered directly to their doors, in time for Spring planting.
- **To order one or more trees through the program**, simply fill out this **Community Forest Tree Planting Program application**. Once your application has been received, you will be contacted to determine what tree type will best fit the planting site and will contribute to Beaver’s overall Community Forest tree canopy. The order will then be completed.
