### The History & Products of the H.C. Fry Glass Company

The H.C. Fry Glass Company located in Rochester, PA was formed in 1902. The company gained acclaim as a producer of oven glass, table glass & art glass, as well as many lesser known quality glass products with commercial & industrial uses.

Join us as Mike Sabo, President of the H.C. Fry Glass Society leads a lively talk & shares his experiences collecting, studying and researching this iconic Beaver County glass company. Mike will be bringing examples from his Fry Glass collection for your education. Bring your questions and enjoy the evening talking Fry!

**Admission is free, no pre-registration required!**

If you have any questions, please call the History Center at 724-775-1775 during business hours:  
Thursday thru Saturday from 10AM - 4PM.
